# Hope For The Children

Bringing HOPE to the children of Maryland through the Lord Jesus Christ and the Bible

## Carolyn's Corner

### SUMMER BIBLE CLUBS

It was a hot day in July. The neighborhood kids seemed to fight every time they got together. "What these kids need is Jesus," I muttered.

I gathered my seven year old son's Sunday school materials and invited the children to come for a "Bible time." Seven children came. I vividly remember that first Bible club held in my home. Five children prayed to receive the Lord Jesus during the week; one of them, my own son.

These children are all adults now. I have heard from several and they are still living for the Lord.

You don't need to scrounge up teaching materials or prepare a lesson. CBM will send you a team of trained Summer Missionaries who will teach an hour a day for five days.

Wonderful Bible lessons, exciting missionary stories and fun songs and games make Summer Bible Club an event that will change lives.

What do you need to do? Call me and set a week and time slot that suits you. Invite the children and have a simple snack each day. You pray and we do the rest.

## VOLUNTEER OF THE MONTH!

Connie Shaffer teaches three Character Building Clubs a week in Carroll Co., is on the teaching schedule for Children's Worship at Faith Bible Church, helps in an AWANA and teaches weekend retreats for Chinese Churches.

If that isn't enough, Connie homeschooled her two daughters, Beth and Darli, during their elementary and high school years and still homeschools her son, Davy.

Thank you, Connie, for your labor of love for the Lord Jesus Christ and for the children!

## Denise for Baltimore's Children

Praise God from whom all blessings flow!

I am grateful for the opportunity to share with you how God is blessing the children and families in Baltimore. One blessing is when we partner with others. Clarissa Costley, Director for Armor Train Puppet Productions, conducted two workshops with the children. Each group enjoyed making puppets and creating scripts to review lessons learned. Susan, Character Building Club teacher, reported that her class enjoyed the workshop so much that they were even playing with the puppets at home. A 14 year-old, who attended the workshop that Friday evening, came to church that next Sunday. After hearing the sermon, she went forward to receive Christ. We can never know when and what activity will bring a child to the knowledge of Christ, but we can be there so they can hear.

I am looking forward to working with our Summer Missionary Interns this summer. Please pray for them as they go through intense training. The interns for Baltimore are Annie Johnson, Dwayne Dyson and Tiffany Morgan.

I am seeking others who may want to join our teaching team for the next school year. Perhaps the Lord is leading you or someone you know. Either way, just give me a call at (443) 717-4007, or email me at [drmorgan41@yahoo.com](mailto:drmorgan41@yahoo.com)

By the way, I am currently updating my mailing list and want to be sure that your information is correct. Please send me your name, address, phone no. and email address. You can send it by email, or to my mailing address: 3314 Ravenwood Avenue Baltimore, Md. 21213.

Thanks to each of you who continue to stand with us through your prayers and finances. I truly appreciate your support.

Thank you, also, for praying for my dad, Oliver Miller, as he battled Lou Gehrig's Disease. He passed on to Heaven on May 13.

May the Lord continue to bless and keep you all.

## Carroll Co. News

I know that you pray because we all can see God's hand on the Character Building Club ministry. I am not only asking you to pray, but to keep your eyes and ears open for someone who God may be calling to full-time children's ministry. I hate to see this established, fruitful ministry dwindle away due to lack of leadership. I believe in ministry to children but am not called to it. I am also involved in so many other areas that I am pressed thin. There is an active local committee and faithful donors already. I will also provide with hands on training.

We all enjoyed a lovely tea to thank those who served in the Character Building Clubs this school year. The committee and I are grateful for the faithful teachers and helpers.

As the weather warmed up and the flu season cooled down, attendance increased in the clubs. God worked in the hearts of nine children who came to Christ for salvation in April. The children worked diligently on their scripture memory and eighty-seven verses were memorized this month.
