CBM of Carroll Co.

As the New Year rolls out, so do our Character Building Clubs. Most of the clubs are continuing to grow as children bring their friends with them.

Art Linkletter said that children say the darndest things. Well, here's a little chuckle for you. While presenting the gospel at one of our clubs, the speaker first talked about how much God loved each one. Then he continued to explain that we had all been born with sin. He asked if anyone knew what we were all born with, looking for the answer of "sin". One little girl proudly raised her hand and gave her answer--"a belly button!" Jesus loves children and said, "whoever welcomes a little child like this (he must have had one in his arms) in my name, welcomes me" (Matt. 18:5) Children's Bible Ministries welcomes children in Jesus' name, and, in fact seeks them out.

Please continue to pray that the Lord of the Harvest would raise up more laborers (teachers) to teach more clubs in more schools in Carroll Co. Pray, also, that Maggie Smith, our missionary on deputation, will be able to set up meetings with churches and individuals. Thanks!

Praise God from Whom all blessings flow!

This month, some will celebrate Valentine's day and others Black History Month. Whatever you choose, it is a celebration; a joyous occasion! For me, I will celebrate 49 years of life should the Lord allow me to see the 20th of the month. My sweet daughter, Tiffany, celebrates her "sweet 16th" on the 26th. What's good about our relationship is that we both love the Lord Jesus as our personal Savior. So, that makes us blood sisters as well as mom and child. What a gift from God!

Back in December, love was spread abroad in Baltimore City where many children got the wonderful opportunity to hear of God's love for them. Six children were born into the family of God. Please pray that they will continue to grow in their new love relationship.

Speaking of love, I want to give God praise for Miss Ann Burston, a long-time neighbor and friend. She has always helped me in the ministry behind the scenes. She would be the one telling the children about the club and encouraging them all to come. Even though I have moved out of the neighborhood, I still conduct the Bible club and she is inviting the children, passing out flyers and reminding them to attend. To me, that is love.

You see, you may not be a teacher in the classroom or a missionary across the seas, but you can be a Miss Ann, who is just across the street.

Thanks to all who stand with us. Please continue to pray for released time in Baltimore and that I will get 100% of my support.
