Summer Bible Clubs are taught by trained volunteers & missionaries. Boys and girls attend for one hour on Fridays to learn about the Bible and missions, to sing songs and to memorize Bible verses. They will view videos of the lessons on our YouTube channel (CBMMD), and then meet on Fridays via zoom to review what they watched and other fun activities. The clubs are affiliated with Children's Bible Ministries, Inc., a national, non-denominational organization. Children are welcome without regard to race, color or creed. Parents may visit the club at any time. Must complete a sign up form and submit registration fee for child to be officially enrolled. If you have any questions, please call us at the number below or email at [cbmofmd@gmail.com](mailto:cbmofmd@gmail.com).
